## Internationalisation in Moldova

In order to be successful, universities need to be internationalized.

IoHE online benchmarking tool presents the collected data in a user-friendly and interactive way and make it available beyond the traditional higher education community. Tool lets you compare university level of internationalisation at higher education institutions in Moldova. It focuses on four areas and ranks universities according to the level of internationalisation they have in each of these. The site has been updated and

### 4 Dimensions:
